

Hurricane Season is Here!

**Are You Ready?
Got A Plan?
Need More Info?**

Announcing a new website that helps Florida Public Librarians work with local communities to better *prepare* for and *recover* from a hurricane disaster:

- Service roles and how to implement them;
- URLs to an extensive set of resources;
- Planning guides and basic actions; and
- Evacuee assistance information.

Plus: This site offers you a searchable database of the BEST available resources.

For more information, please visit:

INFORMATION INSTITUTE™

Research, Planning, Development, Evaluation, Policy & Education

The Florida State University, College of Communication & Information
School of Library & Information Studies

Our goal is to provide valuable information that you can use to take ACTION. These resources can help save lives at home, work, or when relocated due to an evacuation.
